

RELIGIOUS EDUCATION

OUR FAITH, OUR FAMILY, OUR FUTURE

Welcome Back!!!

The start of the new Religious Education year is finally here! This past year has presented us with many challenges but also hope and thanksgiving for all He has provided. I pray that you will continue to find God's blessings this school year. Our preparations have been extraordinary to ensure an environment that is safe, clean, prayerful and Spirit-filled. We are blessed to have so many dedicated catechists willing to share the love of Jesus with your children. We are all looking forward to working with you to bring Jesus Christ alive in your children's life.

Blessings, Deacon Tim

Keeping Our Family Safe: COVID-19 Guidelines

In order to keep our children and families safe we are following similar guidelines to the local school system.

Classroom Sanitation: Classrooms are sanitized weekly per guidelines and after each use.

Mask Policy: Children and staff are required to wear masks. Masks are available in each classroom in case someone forgets theirs at home.

Water: Please provide your children their own drinking water. Water is available in the RE office.

Hand Sanitizer: Hand sanitizer is available in the hallways and each classroom.

Supplies: Each child is provided their own textbooks and supply box/bag.

Social Distancing: Social distancing is adhered to our best ability. *Note: 4th grade will be held in the Social Hall due to class size at this time.

Arrival/Departure: Parents may not wait in the hallway this year and drop off will be at the exterior doorways or at the carpool drop off area. **Remember a parent must be there to pick up their child.**

Arrival: All children/catechist enter via the hallway near the bathrooms

Departure: Dismissal is at 1045 and parents will pick up their children at the doors in the courtyard.

Teachers will escort the children to the doorways indicated below:

- K & 2nd Grade: Children will exit via the bathroom hallway doors.
- 1st and 3rd Grade: Children will exit via the 7th grade hallway doors.
- 4th Grade: Parents may drop off and pick up their children at the social hall door.
- 5th/6th/7th grade: Children will exit their classroom door into the courtyard.
- 8th Grade: Will enter and exit the 8th Grade classroom doors.
